

MANAGEMENT INFORMATION CIRCULAR

For the Annual Meeting of Shareholders to be held on May 7, 2015

Dated: March 30, 2015

PFB Corporation (the “**Corporation**”) is utilizing the “notice-and-access” process that came into effect on February 11, 2013, under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”), for distribution of meeting materials, including this management information circular (the “**Circular**”), to non-registered holders (“**Beneficial Shareholders**”) of common shares (“**Common Shares**”). Further information on notice-and-access, including how Beneficial Shareholders may obtain a paper copy of this Circular, is contained below under the heading “NOTICE-AND-ACCESS”.

PURPOSE OF SOLICITATION

This Circular is furnished in connection with the solicitation of proxies by or on behalf of the management of the Corporation for use at the annual meeting (the “Meeting”) of holders of Common Shares (the “Shareholders”) of the Corporation. The Meeting will be held at the office of the Corporation located at 100, 2886 Sunridge Way N.E., Calgary, Alberta, on Thursday, May 7, 2015, at 11:00 a.m. (Mountain Daylight Time) or at any adjournment thereof, for the purposes set forth in the notice of meeting (“**Notice of Meeting**”) accompanying this Circular.

GENERAL PROXY INFORMATION

This Circular provides the information you need to vote at the Meeting. Registered Shareholders will receive paper copies of all Meeting materials. Beneficial Shareholders will receive, by prepaid mail, a notice package under the new notice-and-access rules, including the Notice of Meeting, a voting instruction form (“**VIF**”) and a supplemental mail card (collectively, the “**Notice Package**”), as described below under the heading “NOTICE-AND-ACCESS”. The Circular will not be included in the Notice Package. The Circular will be available to Beneficial Shareholders on the Corporation’s website at www.pfbcorp.com under Investors/Shareholder Information, or on SEDAR at www.sedar.com. Beneficial Shareholders will also have the option to contact the Corporation’s transfer agent, Alliance Trust Company, at the contact information described under the heading “NOTICE-AND-ACCESS” below. Alternatively, you may contact the Corporation’s Chief Financial Officer by e-mail at cfo@pfbcorp.com for a full set of paper copies of the Meeting materials. Please ensure that requests for paper copies are made by Monday, April 20, 2015.

This solicitation of proxies for use at the Meeting is made on behalf of the management of the Corporation. The solicitation is being made primarily by mail and may also be solicited in person by telephone or other electronic communication by directors, officers and regular or temporary employees of the Corporation. The total cost of preparing and mailing this Circular and the cost of soliciting proxies will be borne by the Corporation.

The holders of Common Shares are entitled to vote and are encouraged to participate in the Meeting.

Unless otherwise stated, the information contained herein is given as of March 30, 2015.

NOTICE-AND-ACCESS

Canadian securities laws allow the Corporation to post its Circular, the audited consolidated financial statements for the years ended December 31, 2014 and 2013 to be approved at the Meeting (the “**Financial Statements**”) and management’s discussion and analysis for the year ended December 31, 2014 (“**MD&A**”) online rather than mailing paper copies of such materials to certain Shareholders. This process is known as the “notice-and-

access” rule and the Corporation is distributing its Meeting materials to Beneficial Shareholders by way of the “notice-and-access” rule and the procedures known as “stratification”.

The rule allows the Corporation to post electronic copies of the Circular, Financial Statements and MD&A online on the System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com, on the Corporation’s website at www.pfbcorp.com under Investors/Shareholder Information, and at www.alliancetrust.com/shareholders.

The Corporation has elected to use procedures known as “stratification” in relation to its use of the notice-and-access rule. Stratification occurs when the Corporation, while using the notice-and-access rule, provides paper copies of the Meeting materials to certain Shareholders. In relation to the Meeting, if you are a registered Shareholder you will receive a paper copy of each of the Notice of Meeting, the Circular, the Financial Statements and the associated MD&A, and a form of proxy (a “**Form of Proxy**”), whereas if you are Beneficial Shareholder you will only receive the Notice Package consisting of a Notice of Meeting, VIF and a supplemental mail card.

If you are a Beneficial Shareholder and you would like to receive a paper copy of the Meeting materials prior to the voting deadline, you must send your request well in advance in order to ensure that either Alliance Trust Company (registrar and transfer agent the Corporation), or the Corporation, receives your request by Monday, April 20, 2015. This deadline should ensure sufficient time for you to receive paper copies of the Meeting materials. If your request is made before the Meeting date, the Meeting materials will be sent within three business days of receipt of the request.

Beneficial Shareholders may obtain paper copies of the Circular, the Financial Statements and related MD&A free of charge by contacting Alliance Trust Company toll free at 1-877-537-6111 or by e-mail at inquiries@alliancetrust.ca, or from the Corporation’s Chief Financial Officer at e-mail cfo@pfbcorp.com.

Shareholders with questions about notice-and-access may contact Alliance Trust Company, toll-free at 1-877-537-6111 or by e-mail at inquiries@alliancetrust.ca, or from the Corporation’s Chief Financial Officer at e-mail cfo@pfbcorp.com.

Pursuant to the notice-and-access rules, the Corporation will also provide a paper copy of Meeting materials to any Beneficial Shareholder free of charge upon request for a period of one year from the date the Circular is filed on SEDAR. If your request is made after May 7, 2014, the date of the Meeting, the Meeting materials will be sent to you within 10 calendar days of receipt of your request.

Beneficial Shareholders will be mailed the Notice Package by their respective broker, custodian, or other financial institution. Beneficial Shareholders should follow the completion and delivery instructions contained in the Notice Package and are reminded to review the Circular before voting. For further information, please see the information contained under the heading “Notice to Beneficial Shareholders” below.

Shareholders who are unable to attend the Meeting and who wish to ensure that their Common Shares will be voted at the Meeting are requested to complete, sign and date the enclosed Form of Proxy solicited by the management of the Corporation in accordance with the instructions set out therein. All proxies must be received at the office of the Alliance Trust Company, 1010, 407-2nd Street S.W., Calgary, Alberta, T2P 2Y3, not later than 48 hours (excluding Saturdays, Sundays, and statutory holidays) before the time set for the Meeting or, if the Meeting is adjourned, not later than 48 hours preceding the time of such adjourned Meeting, otherwise the Form of Proxy will be invalid.

WHO CAN VOTE

Appointment of Proxies

Shareholders of record on March 24, 2015, the Record Date (as defined herein), may vote in person at the Meeting, or they may appoint a nominee (who need not be a Shareholder) to represent the Shareholder at the Meeting and vote on his or her behalf. The Form of Proxy is provided for the convenience of Shareholders. However, any other proper form of proxy may be used. Unless you are able to attend the Meeting in person, you must complete and deposit a form of proxy for the Meeting in order to be able to vote at the Meeting. The two persons named in the enclosed Form of Proxy are directors of the Corporation.

A Shareholder has the right to appoint a nominee other than the persons designated in the enclosed Form of Proxy (who need not be a Shareholder) to represent the shareholder at the Meeting, by inserting the name of the desired representative in the blank space provided for that purpose on the Form of Proxy and by striking out the other names, or by completing another appropriate form of proxy. A Shareholder should notify the nominee of the appointment, obtain the nominee's consent to act as proxy and instruct the nominee on how the Shareholder's Common Shares are to be voted. The form of proxy should be dated and executed by the Shareholder or by the Shareholder's attorney authorized in writing.

Deposit of Proxies

The completed Form of Proxy or Proxies must be addressed to the Secretary of the Corporation, and delivered to the offices of Alliance Trust Company, 1010, 407-2nd Street S.W., Calgary, Alberta, T2P 2Y3, or at the corporate office of the Corporation at 100, 2886 Sunridge Way N.E., Calgary, Alberta, T1Y 7H9, at least 48 hours before the time of the Meeting.

Validity of Proxies

The instrument appointing a proxy must be in writing in any effectual form, dated and be executed by the Shareholder or his attorney authorised in writing, or if the Shareholder is a corporation, under its corporate seal, properly executed by an officer or attorney thereof, duly authorised, and, in any case, shall cease to be valid one year from its date. The proxy is valid for the Meeting on Thursday, May 7, 2015, and for all adjournments thereof. All information regarding proxies, and revocations, applies to adjournments, with the appropriate time limitation changes.

Revocation of Proxies

A Shareholder, or an Intermediary (as defined herein) acting on behalf of a Shareholder, which has given a proxy, has the power to revoke it. If a person who has given a proxy attends personally at the Meeting, such person may revoke the proxy and vote in person. In addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing, executed by the Shareholder or his attorney authorized in writing, or if the Shareholder is a corporation, under its corporate seal and signed by an officer or attorney thereof duly authorised. The revocation of proxy must be deposited with the Secretary of the Corporation, in care of Alliance Trust Company of Canada, 1010, 407-2nd Street S.W., Calgary, Alberta, T2P 2Y3, Calgary, Alberta, T2P 3S8, or at the corporate office of the Corporation at 100, 2886 Sunridge Way, N.E., Calgary, Alberta, T1Y 7H9, at any time up to and including the last business day preceding the day of the Meeting or with the Chairman at the Meeting, and, upon such deposit, the proxy is revoked.

Voting of Common Shares Represented by Proxies

The persons named in the enclosed Form of Proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholders who appoint them and if the Shareholder specifies a choice with respect to any matter the Common Shares will be voted accordingly. **In the absence of such direction, such Common Shares will be VOTED IN FAVOUR OF ALL MATTERS identified in the Notice of Meeting accompanying this Circular.**

Notice to Beneficial Shareholders

The information set forth in this section is of significant importance to Beneficial Shareholders. Beneficial Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting or any adjournment(s) thereof. A Shareholder is not the registered holder of Common Share if such Common Shares are held through a nominee such as broker, investment dealer, bank, trust company, or other intermediary (collectively, an "**Intermediary**").

Common Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting Common Shares for Beneficial Shareholders. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person or that the Common Shares are duly registered in their name prior to the Meeting.**

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the VIF provided to a Beneficial Shareholder is identical to the Form of Proxy provided to registered Shareholders; however, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”). Broadridge typically mails a scannable VIF to Beneficial Shareholders in lieu of the form of proxy. Beneficial Shareholders will be requested to complete and return the VIF to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free telephone number or access Broadridge’s dedicated internet voting site to vote the Common Shares held by the Beneficial Shareholder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting or any adjournment(s) thereof.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of its Intermediary, the Beneficial Shareholder may attend the Meeting as a proxyholder for the registered Shareholder and vote its Common Shares in that capacity. Should a Beneficial Shareholder wish to attend the Meeting and vote its Common Shares, it must enter its own name in the blank space on the form of proxy provided to the Beneficial Shareholder and return the document to its Intermediary (or the agent of it Intermediary) in accordance with the instructions provided by such Intermediary well in advance of the Meeting.

The Corporation will not send proxy-related materials directly to non-objecting Beneficial Shareholders. Such materials will be delivered to non-objecting Beneficial Shareholders through their Intermediary.

The Corporation does not intend to pay the costs for an Intermediary to deliver to objecting Beneficial Shareholders the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* of NI 54-101, and objecting Beneficial Shareholders will not receive the materials unless their Intermediary assumes the costs of delivery.

Interest of Certain Persons or Companies in Matters to be Acted Upon

None of the Corporation’s directors, executive officers, or any associate or controlled corporation of any such persons has any direct or indirect material interest in any of the matters to be acted upon at the Meeting other than the election of directors.

Voting Securities and Principal Holders of Voting Securities

The board of directors of the Corporation (the “**Board**”) has fixed the close of business on March 24, 2015, as the record date for determining which Shareholders are entitled to receive notice of the Meeting (the “**Record Date**”). Only Shareholders of record at the close of business on March 24, 2015, shall be entitled to vote at the Meeting, except to the extent that: (i) the holder has transferred the ownership of any of the Shareholder’s Common Shares after that date; and (ii) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that the transferee owns the Common Shares, and demands, not later than 10 days before the Meeting, that the transferee’s name be included in the list of persons entitled to vote at the Meeting, in which case the transferee will be entitled to vote the transferee’s Common Shares at the Meeting.

A quorum for the transaction of business at any meeting of Shareholders shall be two persons present in person, each being a Shareholder entitled to vote thereat or a duly appointed proxy holder or representative for a Shareholder so entitled, irrespective of the number of Common Shares held by such persons.

On the Record Date set for the Meeting there were 6,716,003 issued and outstanding Common Shares. On all matters to be considered and acted upon at the Meeting, holders of Common Shares are entitled to one vote for each Common Share held.

To the knowledge of the directors and executive officers of the Corporation, the only persons or companies beneficially owning, directly or indirectly, or exercising control or direction over voting securities carrying more than 10% of the voting rights attached to any class of voting securities of the Corporation on the Record Date are:

Name	Number of Common Shares Held or over which Control or Direction is Exercised	Percentage of Issued and Outstanding Common Shares
C. Alan Smith	2,967,668	44.2%
Kernwood Limited	1,050,300	15.6%

The information as to Common Shares owned by the Shareholders listed in the above table has been furnished by either the Shareholders individually or by public filings and has not been verified by management of the Corporation.

BUSINESS TO BE TRANSACTED AT THE MEETING

The business to be conducted at the Meeting is described in detail below. The matters to be considered are as follows:

- To receive the consolidated financial statements of the Corporation and auditors' report thereon for the financial years ended December 31, 2014 and 2013;
- To elect the directors for the ensuing year;
- To appoint the auditors of the Corporation for the ensuing year and authorize the Board to fix their remuneration; and

CONSOLIDATED FINANCIAL STATEMENTS

The Corporation's audited consolidated financial statements for the financial years ended December 31, 2014 and 2013, together with notes thereto and the report of the auditors thereon, are included in the Corporation's 2014 annual report ("**2014 Annual Report**"). Copies of the 2014 Annual Report can be viewed or downloaded in portable document format (PDF) from the Corporation's website at www.pfbcorp.com by selecting the "Investors" option on the menu bar followed by selecting the "Public Reporting Documents" option from the drop down menu.

A copy of the Corporation's 2014 audited consolidated financial statements for the financial years ended December 31, 2014 and 2013, and management's discussion and analysis for the financial year ended December 31, 2014, were filed on SEDAR on March 9, 2015, and are accessible under the Corporation's profile at www.sedar.com.

ELECTION OF DIRECTORS

The directors of the Corporation are elected to serve until the next annual meeting of Shareholders. All Shareholders are entitled to vote their Common Shares for the election of directors. The articles of the Corporation provide for a minimum of 3 directors and a maximum of 15 directors.

The Corporation has adopted a majority voting policy which requires that any nominee for director who receives a greater number of votes withheld than for his or her election shall tender his or her resignation to the Chairman of the Board immediately following the meeting at which the election occurred. This policy applies only to uncontested elections, meaning elections where the number of nominees for director is equal to the number of directors to be elected. The Corporate Governance and Nominating Committee (the "**CG&NC**") and the Board shall consider the resignation and whether or not it should be accepted. The nominee shall not participate in any committee or Board deliberations on the resignation offer. Resignations are expected to be accepted except in situations where circumstances warrant the applicable director continuing to serve as a member of the Board. The Board shall disclose its election decision, via press release, within 90 days of the applicable meeting. If a resignation is accepted, the Board may appoint a new director to fill the vacancy created by the resignation.

The Board has determined that the number of directors to be elected at the Meeting is nine. Management of the Corporation proposes to nominate each of the following persons for election as a director. As you will note from the enclosed Form of Proxy and voting instructions form, Shareholders are required to vote for each proposed director individually as opposed to voting for directors as a slate.

William H. Smith

William H. Smith was a director and officer of Oilexco Incorporated (“**Oilexco**”) when, as a consequence of the severe disruption in the financial and commodity markets during the fall of 2008, it filed for protection under the *Companies Creditors’ Arrangement Act* (Canada) (“**CCAA**”) and its wholly-owned subsidiary in the United Kingdom filed for administration for the benefit of its creditors. Oilexco was subsequently suspended from trading by the TSX Venture Exchange (the “**TSX-V**”) and a cease trade order was issued by Alberta Securities Commission for failure by Oilexco to file financial statements. In addition, the directors of Oilexco, including Mr. Smith, were reprimanded by the TSX-V based on the TSX-V finding that Oilexco ought to have issued certain press releases when it was insolvent. Mr. Smith was also a director of SemBioSys Genetics Inc. (“**SemBioSys**”) until May 2012. Subsequently, a creditor obtained the appointment of a receiver for certain assets of SemBioSys over which the creditor held security.

Gordon G. Tallman

Gordon G. Tallman was a director of CV Technologies Inc. when it became subject to a cease trade order issued by the Alberta Securities Commission on April 19, 2007 for failure to file financial statements. Similar cease trade orders were issued by the Ontario Securities Commission and the British Columbia Securities Commission. The Alberta Securities Commission revoked the cease trade order on June 22, 2007, and the Ontario Securities Commission and the British Columbia Securities Commission followed with similar revocations shortly thereafter. Gordon Tallman was a director of Oilsands Quest Inc. (“**Oilsands**”) on November 28, 2011, when it filed for creditor protection under the CCAA. The NYSE Amex (“**NYSE**”) also halted trading in the common shares of Oilsands on that date. Mr. Tallman formally resigned from the board of Oilsands effective December 20, 2011. On June 1, 2012 the NYSE MKT LLC delisted Oilsands for failure to meet its continued listing requirements. In August 2012, the Alberta Securities Commission and other securities commissions in Canada issued cease trade orders for failure to file audited financial statements and MD&A for the year ended April 30, 2012. All assets of OQI have been sold and the company is no longer in existence.

John K. Read

John K. Read resigned from the board of directors of Oilsands Quest Inc. (“**OQI**”) in September 2011. On November 28, 2011, OQI filed for creditor protection under the CCAA. The NYSE Amex (“**NYSE**”) also halted trading in the common shares of the OQI on that date. On June 01, 2012 the NYSE MKT LLC delisted OQI for failure to meet its continued listing requirements. In August 2012, the Alberta Securities Commission and other securities commissions in Canada issued cease trade orders for failure to file audited financial statements and MD&A for the year ended April 30, 2012. All assets of OQI have been sold and the company is no longer in existence.

Donald J. Douglas

Donald J. Douglas resigned from the board of directors of Trafina Energy Ltd. on June 13, 2012. On June 13, 2012, the board of directors of Trafina Energy Ltd. authorized the signing officers of the Corporation to consent to the National Bank of Canada’s receivership order. Subsequently, the company ceased operations.

APPOINTMENT OF AUDITORS

At the Meeting, the Shareholders will vote to appoint Deloitte LLP, Chartered Accountants, of Calgary, Alberta, as auditors of the Corporation to hold office until the next annual meeting of Shareholders or until a successor is appointed, and to authorize the Board to fix the auditors' remuneration. Deloitte LLP was first appointed auditors of the Corporation in 1985.

STOCK OPTION PLAN

Under the Corporation's stock option plan (the "**Stock Option Plan**"), the Board may from time to time designate directors, officers, employees of, or providers of services to, the Corporation to whom options to purchase Common Shares ("**Options**") may be granted and the number of Common Shares to be optioned to each.

The Stock Option Plan is in place to assist the Corporation in attracting, retaining and motivating directors, officers, employees, consultants and advisors (the "**Participants**") and to closely align their personal interests with those of the Corporation's shareholders by providing them with the opportunity, through Options, to acquire Common Shares.

The Stock Option Plan is administered by the Board, which has final authority and discretion, subject to the express provisions of the Stock Option Plan, to interpret the Stock Option Plan, to prescribe rules and regulations relating to it and to make all other determinations deemed necessary or advisable for the administration of the Stock Option Plan. This includes discretion to determine who will be entitled to participate in the Stock Option Plan.

Except as hereinafter described, the Board may amend, suspend or terminate the Stock Option Plan, and to the extent any such amendment, suspension or termination adversely affects any Options previously granted under the Stock Option Plan, the consent of the holder of such Option is required. Shareholder approval is not required to implement ANY amendments, save and except for amendments related to: (i) an increase in the maximum number of Common Shares reserved for issuance under the Stock Option Plan; (ii) a reduction in the exercise price for Options held by insiders; (iii) an extension to the term of Options held by insiders; (iv) an increase in the 10% limits on grants to insiders set out in the Stock Option Plan; and (v) an amendment in the provisions of the amending procedures of the Stock Option Plan.

The term for Options is determined by the Board at the time the options are granted (the "**Grant Date**"), but such term may not exceed ten years from the Grant Date. Options granted under the Stock Option Plan are non-transferable. Vested Options granted under the Stock Option Plan terminate immediately if a Participant is dismissed with cause or within 30 days if a Participant ceases to be a director, officer, employee, consultant or advisor by reason of death, disability or retirement. For other discretionary circumstances where an adjustment of the option exercise period is approved by the Board, vested Options granted under the Stock Option Plan will terminate on the earlier of: (i) the expiry of the Option; or (ii) six months from the date of ceasing to be a director, officer, employee, consultant, or advisor. The Board determines when Options granted under the Stock Option Plan expire, as long as the expiry date determined by the Board does not exceed ten years from the Grant Date and the period during which the Options may be exercised by the Participant. If the date on which granted Options expire occurs during or within 10 days after the last day of a black out period, the expiry date for the Options will be the last day of such 10 day period.

The maximum number of Common Shares that may be reserved for issuance to any one eligible person pursuant to Options granted under the Stock Option Plan is 5% of the number of Common Shares issued and outstanding at the time of reservation.

The maximum number of Common Shares that may be reserved for issuance to insiders pursuant to the Stock Option Plan and any other previously established or proposed share compensation arrangement is 10% of the number of Common Shares outstanding. The maximum number of Common Shares that may be issued to any one insider under the Stock Option Plan and any other previously established or proposed share compensation arrangement within a one-year period is 5% of the number of Common Shares outstanding.

If, at any time during the period when an Option has been granted to a Participant but remains unexercised, there is a take-over bid as defined in any applicable securities legislation (including an exempt take-over bid other than an exempt take-over bid which permits purchases of up to 5% of issued capital per year through the facilities of a

recognized stock exchange), the Corporation shall provide each Participant with any information that is in the public domain that it has in its possession on a timely basis. The provisions of any option agreement notwithstanding, the vesting time for the exercise of the Options will be accelerated to allow the Participant to exercise all outstanding Options to facilitate the tendering of Common Shares to the takeover bid.

If a dilution of value or a reorganization of the Common Shares occurs by way of a share dividend, share split, issuance of shares or instruments convertible into Common Shares (other than pursuant to the Stock Option Plan) for less than market value, share consolidation, share reclassification, exchange of Common Shares, recapitalization, amalgamation, merger, consolidation, corporate arrangement, reorganization, liquidation or the like, the Participant shall be entitled to a pro rata adjustment to the number of Options, or to the exercise price, or both, as shall be appropriate to give proper effect to such event, including to prevent, to the extent possible, substantial dilution or enlargement of rights granted to Participants under the Plan. If because of a proposed merger, amalgamation or other corporate arrangement or reorganization, the exchange or replacement of shares for those in another corporation is imminent, the Board will determine the manner in which all unexercised Options will be treated including adjustment to the time period for the exercise of such rights by the Participants.

The aggregate number of Common Shares reserved for issuance to insiders of the Corporation within any twelve-month period, or issuable to insiders of the Corporation at any time, under the Stock Option Plan and any other share compensation arrangement of the Corporation, may not exceed 10% of the total number of issued and outstanding Common Shares at such time.

The exercise price for the Common Shares issued pursuant to the Stock Option Plan is determined by the Board but cannot be less than the closing market price of the Common Shares on the Toronto Stock Exchange (the “TSX”) on the trading day immediately prior to the grant of the Option (if no trades occurred on such a day, then on the next previous day on which trading took place) or such other price as may be set by the Board and approved by the TSX.

The maximum number of Common Shares that may be reserved for issuance under the Stock Option Plan is 10% of the Common Shares that are issued and outstanding from time to time. As a result, Shareholder approval of the Stock Option Plan must be obtained every three years. The Stock Option Plan was last approved by the Shareholders at the annual meeting of Shareholders held on May 8, 2014, which provided the Corporation’s with a continuing ability to grant options under the Stock Option Plan until May 8, 2017.

Any increase in the issued and outstanding common shares will result in an increase in the available number of common shares issuable under the Stock Option Plan, and any exercises of options will make new grants available under the Stock Option Plan effectively resulting in a re-loading of the number of options available to grant under the Stock Option Plan.

NORMAL COURSE ISSUER BID

The Corporation obtained approval from the TSX to renew a normal course issuer bid (“NCIB”), the renewal of which commenced on September 11, 2014 and ends no later than September 10, 2015.

Under the NCIB, the Corporation may acquire up to a maximum of 50,000 of its Common Shares, representing approximately 0.74% of the then issued and outstanding Common Shares, which, as of September 11, 2014, was 6,719,703, subject to a daily maximum purchase of 1,000 Common Shares. The Corporation will pay the market price for the Common Shares on the TSX at the time of acquisition and no purchases will be made other than by means of open market transactions during the period the NCIB is outstanding.

Management believes that the Common Shares may, from time-to-time, be undervalued and may not reflect the financial strength and net asset value of the Corporation. All Common Shares purchased under the NCIB will be cancelled, increasing the respective proportionate share interests of all remaining Shareholders. The funding for any purchases of Common Shares pursuant to the NCIB will be financed out of working capital.

A total amount of 3,700 Common Shares have been purchased for cancellation under the NCIB between the date of renewal and as of March 30, 2015.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

On September 18, 2008, the Canadian Securities Administrators announced the adoption of new rules under Form 51-102F6 – *Statement of Executive Compensation* (“**Form 51-102F6**”) which came into effect on December 31, 2008, and applies to all management information circulars issued by companies with financial years ending on or after that date. This Circular includes the required disclosures under Form 51-102F6.

Overview of Executive Compensation

Compensation for the Chief Executive Officer of the Corporation is established by the Human Resources and Compensation Committee (“**HR&CC**”) who make a recommendation to the Board. The President and Chief Executive Officer (“**CEO**”) of the Corporation is C. Alan Smith who controls Aeonian Capital Corporation (“**Aeonian**”) which owns, together with affiliates, 2,967,668 or 44.2% of the issued and outstanding Common Shares as at the date of this Circular. Effective January 1, 2012, the Corporation has been charged annual fees of \$350,000 by Aeonian which included fees for management services provided by Mr. Smith. The annual fee was approved by the Board. The annual fee decisions for the CEO are not based on specific objective measures. The annual compensation of other named executive officers (“**NEOs**”) is reviewed and approved by the HR&CC based on recommendations made by the CEO and take into consideration individual circumstances including the scope of an executive’s relevant competencies and experience.

Composition and Responsibilities of the Human Resources and Compensation Committee

In the most recently completed fiscal year, the HR&CC was comprised of Mr. John K. Read (Chair) and Edward H. Kernaghan, both of whom are independent directors. Mr. Read and Mr. Kernaghan have never been officers or employees of either the Corporation or any of its subsidiaries.

All members of the HR&CC have direct experience in compensation matters arising from holding current or former executive positions in other companies or by serving in similar capacities on other public company boards. Collectively, this experience provides the HR&CC with the knowledge, skills, experience and background in executive compensation and human resources matters to makes decisions regarding the suitability of the Corporation’s compensation policies and practices.

The primary responsibilities of the HR&CC include the following:

- reviewing the President/CEO’s compensation and recommend approval by the independent directors of the Board;
- evaluating the President/CEO’s performance on an annual basis;
- reviewing with the President/CEO the compensation plans for NEOs and make recommendations to the Board;
- annually reviewing and consider management succession planning;

- annually reviewing and recommend the compensation to be paid to the directors;
- reviewing public disclosure with respect to executive compensation made by the Corporation; and
- reviewing and assessing the adequacy of the Corporation’s human resources policies to ensure that the Corporation’s legal and ethical obligations to its employees are being fulfilled.

No members of the HR&CC have any indebtedness to the Corporation or any of its subsidiaries nor have they any material interest, or have any associates or affiliates which may have any material interest, direct or indirect, in any actual or proposed transactions in the last financial year which materially affected or would materially affect the Corporation or any of its subsidiaries.

Managing Compensation Risk

The HR&CC, as part of its annual review process, considered the implications of potential risks associated with the Corporation’s compensation policies and practices. The HR&CC concluded that, given the nature of the Corporation’s business and the role that the HR&CC fulfills with regards to overseeing the Corporation’s executive compensation practices, the compensation policies and practices did not serve to encourage any NEO or other individual to take inappropriate or excessive risks. Furthermore, no risks were identified as arising from the Corporation’s compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation.

Objectives of Executive Compensation

The Corporation’s executive compensation program is structured to be industry competitive and attract, motivate and retain high performing senior executives and reward superior personal performance that supports the short and long-term goal of the Corporation to create long-term value for Shareholders. Total compensation for the Corporation’s NEOs, excluding the CEO, includes a base salary, an annual incentive plan consisting of a cash bonus, and a car allowance. In determining compensation for the Corporation’s NEOs, the Corporation periodically benchmarks both the base salary element and total compensation levels against data available in the public domain either from other companies or from data made available by independent compensation professionals who publish compensation surveys. Compensation objectives are formulated by positioning total compensation at above the median level which is defined as the 50th percentile of corresponding positions identified in comparable companies or in compensation surveys used for comparison purposes. No peer group benchmarking was undertaken in fiscal 2014.

In fulfilling its mandate, the HR&CC may engage, at the Corporation’s cost, outside consultants to provide expertise and advice on matters relating to executive compensation. Such information and/or advice may be used by the HR&CC in connection with the development and oversight of executive compensation policies and programs. No outside consultants were engaged in fiscal 2014.

Performance Reward Programs

The compensation of each of the Corporation’s NEOs, except the CEO, is impacted by how well each individual has performed as well as overall business success. The overall compensation package has an ‘at-risk’ component which may vary from year-to-year depending on business results and individual performance.

The executive incentive program (the “**Program**”) is designed to motivate participants of the Program to focus on maximizing cash flows from operations to ultimately strengthen the financial performance and condition of the Corporation. In 2014, all participants in the Program were incentivised based on the Corporation’s consolidated financial results for the purpose of determining operating cash flows. Participants of the Program in 2014 included the following: the Chief Operating Officer; the Chief Financial Officer; Vice President, Sales; Vice President, Manufacturing; Chief Information Officer, and one other functional manager. In 2014, annual incentive plans for the Corporation’s NEOs and other participants did not include any discretionary amounts.

The Corporation has an employee profit sharing plan (the “**EPSP**”) which is approved by the Board. Under the EPSP, 5% of the Corporation’s audited consolidated pre-tax income in each fiscal year is paid out to all eligible employees on a proportional basis to their eligible gross payroll earnings for that year. Participants in the Program are excluded from the EPSP.

Trades in Securities of the Corporation

The Corporation does not have any written policies which prohibit an NEO or a director from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Outstanding Share-Based Awards and Options-Based Awards for Named Executive Officers

No Options were exercised by any of the Corporation's NEOs during the year ended December 31, 2014.

The granting of Options to the Corporation's NEOs is aimed at recognizing and rewarding the impact of longer-term strategic actions undertaken by management, providing an added retention incentive, and aligning the interests of the Corporation's NEOs with those of its Shareholders. When considering new grants, the HR&CC takes into account previous grants.

The HR&CC is responsible for reviewing, monitoring, approving and ratifying awards made under the Stock Option Plan, including amendments to existing awards. The granting of Options to the Corporation's NEOs is approved by the Board upon recommendations made by the HR&CC. The Stock Option Plan is described under the heading "STOCK OPTION PLAN" above.

The following table discloses, for each of the Corporation's NEOs, all option-based awards and share-based awards outstanding at the end of the most recently completed financial year:

Termination and Change of Control Benefits

Pursuant to an employment agreement with Bruce M. Carruthers, Chief Operating Officer, in the event that: (i) there is a change in control of the Corporation; and (ii) either Mr. Carruthers voluntarily terminates his employment with the Corporation within six months following the change in control or he is dismissed from office or employment with the Corporation, the Corporation is obligated to pay Mr. Carruthers two and a half times his total compensation which is defined as the employee's base salary applicable at the time plus the highest performance award during the twenty-four month period immediately preceding the officer's termination exclusive of the month in which termination is effective. A change of control is defined as a direct or indirect acquisition of more than 30% of the Corporation's outstanding voting shares. Based on a hypothetical assumption that a triggering event occurred on December 31, 2014, the estimated benefit payment to Mr. Carruthers would have amounted to \$781,000.

Performance Graph

The following graph compares the cumulative total shareholder return over a five year period of \$100 investment in the Common Shares relative to the cumulative total return on \$100 invested in the S&P/TSX Composite Index. The shareholder return assumes all dividends are reinvested.

The change in the total compensation of the Corporation's NEOs does not correlate directly with the market price trend of the Common Shares as shown by this performance graph. Share price is impacted by a number of external factors beyond the control of management. The increase or decrease in the price per Common Share is not a determining factor in the compensation of the Corporation's NEOs. The Common Shares of the Corporation are thinly traded and the market value of the Common Shares have typically traded at or below book value in recent years. The incentive component of the Corporation's NEOs compensation over recent years has been focused on generating cash flows from operations through revenue growth and cost control which management believes will be reflected in increased earnings and book value per Common Share and, ultimately, be reflected in the Corporation's share price.

Compensation of Directors

The Corporation currently has eight directors, four of whom are independent, and four whom are non-independent.

In 2014, compensation for directors who are not NEO's of the Corporation comprised an annual retainer paid in equal amounts on a quarterly basis. The directors who receive compensation are all members or participants of various Board committees. An annual retainer of \$12,000 was paid to each of those directors as compensation for their participation in Board and Board committee meetings. The director who is also the chair of Audit Committee receives an additional annual retainer of \$2,000 as compensation for the additional duties that come with that position bringing the total annual retainer to \$14,000 for that director. Directors who are employees or consultants of the Corporation do not receive director's compensation. In 2014, the chair of the Audit Committee was Mr. Gordon G. Tallman.

The following table discloses for each director of the Corporation who received compensation the actual compensation amount received during the most recently completed fiscal year. Mr. C. Alan Smith and Mr. Bruce M. Carruthers are NEO's of the Corporation and their compensation is included in the summary compensation table on page 12 of this Circular.
