

PFB Corporation announces release date of Q3 2017 financial results and participation at the TMX Industrial Technology Investor Day

CALGARY, Oct. 13, 2017 /CNW/ - PFB Corporation announces that it will present at the TMX Industrial Technology Investor Day in Toronto on October 24, 2017. In that regard it will post a copy of the presentation to its website, www.pfbcorp.com, and release its Q3 2017 preliminary financial results after the market close on Friday, October 20, 2017. PFB's condensed interim consolidated financial statements and interim MD&A for the three month periods ended September 30, 2017 and 2016 will be posted on SEDAR (www.sedar.com) on or after October 26, 2017.

About PFB

PFB Corporation has two operating subsidiaries, Plasti-Fab Ltd. that operates in Canada and PFB America Corporation that operates in the United States. PFB develops, manufactures and markets insulation building products and technologies based on expanded polystyrene technology; that, when used as components of a building envelope, enable residential and commercial structures to be highly energy-efficient. We are also experts in engineered geotechnical applications of our products. PFB building products are used in both new and renovation markets in residential, commercial and industrial projects.

The group is vertically integrated in manufacturing insulating building products marketed across North America under brand names, Plasti-Fab, EPS Product Solutions®, Advantage ICF Systems®, Insulspan® Structural Insulating Panels Systems, and the PFB Custom Homes Group which includes Riverbend® Timber Framing, Precision Craft® Log & Timber Homes, Point Zero Homes and M.T.N. Design.

PFB Corporation is listed for trading on the Toronto Stock Exchange, symbol PFB.
